

## Screenshot 1)

This screenshot shows the 'Commits' tab of a GitHub repository. The repository name is 'YSP24SCM74P / SCM587SP24'. The 'main' branch is selected. The commits are listed in chronological order, with the most recent at the top. The first commit is 'Fixes #168. YSP24SCM74PAdding first name' by Yogeshwar-Pawade, committed 6 minutes ago. The second commit is 'Update b.java' by GSP23SCM93J, committed last month, and is marked as 'Verified'. The third commit is 'First Commit' by SPM587SP24, committed last month. The fourth commit is 'Report Folders Added' by SPM587SP24, committed last month. The fifth commit is 'first commit' by SPM587SP24, committed last month. The interface includes a search bar, navigation links (Code, Pull requests, Actions, Projects, Wiki, Security, Insights, Settings), and a sidebar with a 'Commit' button and a 'Lock conversation' button.
